The myPRO Washer and Dryer Base raises the myPRO dryer or myPRO washer to a comfortable working height, enabling you to load and unload the machines with ease.

The plinth also has a practical draw for storing washing up powder, softener and other laundry essentials, helping you to create extra storage space.

- Raises machine to ergonomically working height for loading and unloading
- Assists with drainage flow on gravity drain washer
- Drawer for extra storage
- Easy to clean
- Material : Sheet Metal & Plastics
