The De Buyer Black Iron Steel Frying Pan is a high quality frying pan, made from blued iron to ensure even heat distribution and durability, making it perfect for use in busy commercial kitchens and food preparation areas.

Featuring a 200mm diameter and 2mm thickness, the pan is perfect for frying a variety of ingredients, including meats and vegetables.

- Extra strong quality blued iron
- Heavy iron surface is blued via thermal treatment
- Protection against oxidation during transport and storage
- 2mm thickness perfect for moderate power heat sources
- Homogenous and optimal heat diffusion
- Firmly riveted long iron handle
- Suitable for all cook tops, excluding induction
- Ideal for searing, browning and grilling
- Not dishwasher safe
- 200mm
- Material : Iron
- Capacity : 700ml
