Storing your food has never been simpler, thanks to this Araven shallow food storage tray (19in).Featuring a high density polyethylene plastic construction, this tray is very robust and durable and able to stand up to the demands of your commercial kitchen, saving you time and money on buying replacements.

The tray is particularly good for freezer storage, because of its temperature range of up to -40C, eliminating any cracks or deterioration of the tray from the extreme cold.

Size

Unit	Height	Width	Depth
Mm	80	485	335
