The SLR9C is part of Lincat's Silverlink 600 range which meets the needs of every modern, busy catering establishment.

The six gas burners not only offer power, but also come with a flame failure device for added safety. This high power gas oven comes with side opening doors for easy access. This oven range is perfect for cafes, bars, care homes and small restaurants, it also comes with a low level flue which maximises the working area and enables you to use large stock pots. The fully pressed and sealed hob tops make for easy cleaning, and there are four shelf positions with two removable shelves.
